Defendants served their initial document requests and interrogatories on Plaintiffs on June 26, 2025. Plaintiffs' responses and objections to those requests and interrogatories are due July 28, 2025. The parties continue to move discovery forward expeditiously.

4. As the parties relayed during the May 21, 2025 status conference before Judge Woods, they are open to settlement discussions before a third-party mediator.

The parties are available at the Court’s convenience to discuss the contents of this status letter or to address any questions or concerns that the Court may have.
